Conditions

The position is offered for a fixed term of 12 months, starting on January 1st, 2022.

(Gross salary: 30,000 eur/year)

Requirements

Applicants must have a PhD (or equivalent) in Chemistry. A strong synthetic background is required. The selected candidate is expected to conduct research and guide the work of PhD students. We seek outstanding candidates with initiative and team-working abilities. Publications record will be considered. Good written and spoken English skills are mandatory.

Applications

Applicants must send an e-mail to araceligc@ugr.es indicating **POSTDOCTORAL POSITION** as subject including **IN A SINGLE PDF FILE**:

- A cover letter highlighting their interest in the position (maximum 1 page). INCLUDING the name and e-mail address of two Professors or Researchers that could be contacted to provide references of the candidate.
- Brief CV (maximum 3 pages, including list of publications and concise research summary)

Personal interview might be required.

Deadline

31st October 2021 (applications will be considered upon arrival).
